Inc.

PAI is an award-winning corporation of consultants and planners who specialize in educational planning, educational facility planning and community involvement in the planning and decision making process. Our mission is to help clients put the planning into action ... and get results.

Meeting client needs is our priority. We believe in the team approach to planning and our team/staff members are extensively experienced in facilitating a process for diverse groups in cooperative planning and consensus building strategies.

PAI's clients include public school systems, private schools, colleges, universities, government agencies, community groups, organizations, architectural and engineering firms and construction management firms.
