Bakery Cartons

Promote your department with matched packaging that delivers a consistent merchandising theme. Your packaging is one of the easiest ways to help satisfy your customers. These cartons are designed with special features that make them easy to use. They are durably constructed from 100% SBS board which securely locks in freshness and stain-causing oils. The varnish coated outside

maintains a clean, fresh appearance. Cases are packed with matching P.O.P. cards that are printed to match the merchandising theme.

Available Products

- **Pie Cartons** for pies, tortes, single layer cakes and cupcakes. Feature tamper-evident front tab locks. Cake server opens in the front for easy loading and unloading.
- **Donut & Specialty Cartons** for donuts and cookies. Boxes are 6 corner-glued -- makes the boxes pop open. Feature tamper-evident front tab locks.
- **Round Cake Cartons** for cream pies, tortes, layer cakes, donuts, cupcakes with picks. Cake server feature -- opens in the front for easy loading and unloading -- available on 10" x 10" x 5" and 9" x 9" x 5" sizes. Standard 4 corner construction on other sizes.
- **Sheet Cake Cartons** for quarter, half and full sheet cakes. Cake server feature available on the 14" x 10" x 4" size. The 19" x 14" x 4" carton has the 4 corner-glued, automatic pop-up feature. 26" x 18" x 4" boxes are combo packed (automatic tops with corrugated bottoms) to assure that you get even amounts of tops and bottoms. A signature cake program provides an area for the cake decorator's business card.

Ordering Information

- Freight is prepaid on 5000 pound combined shipments (can be combined with deli cartons).
- Minimum order for custom prints is 30,000 cartons per

size.

- Minimum order for custom Hot Stamp (one color) is 5000 cartons per size.
