Enjoy The '00 Jug In Style!

There's nothing more enjoyable than Little Brown Jug week in Delaware, Ohio, especially if your view of the Jugette and Jug is from the Hospitality Pavilion...a first class facility catering to first class tastes!

This year the popular Pavilion will be better and bigger than ever, as space has been added for more comfort and a full, complimentary bar will be available for both days of racing. Great food is available from mid-morning through the final heat of racing both afternoons. Start your day with a breakfast pastry, fruit juice and coffee...and watch the horses in their early warmups.

In all of harness racing, there is no better panoramic view of the racing than from the Pavilion. You are only yards from all of the action in the first turn. See the drivers jockeying their colts and fillies into position for the charge down the backstretch. Many a race has been won and lost in this first turn...and you are there and up close from your table seat or outside bleacher location.

Single day tickets for the Jugette (Wednesday, Sept. 20) are priced at \$150 and tickets for the Jug (Thursday, Sept. 21) cost \$200 each. You may purchase tickets for both afternoons of Grand Circuit racing for only \$300, a savings of \$50.

For information and to order your reserve Pavilion tickets call:
(800-335-3247 or fax (740) 363-4132
